Starts out black
screen fades in blue
yellow strikes

A building emerges
from bottom of screen

Moves back down
slightly then to the
left

two more figures
enters while the scene
is still moving

Building moves out
Earthlike structure comes
in

"Earth" moves up
at while two figures
emerge

"Earth" moves up more
along with the two
figures

An building emerges
out of earth

Earth moves down +
another building.
Storyboard for Wassily Kandinsky

Scene starts to shift, everything moves

Scene moves more

Earth begins to turn or rotate

Earth rotates more

Earth begins to center, buildings get smaller

Earth moves towards bottom of screen while birds appear

Earth gets smaller, eventually vanishing. Birds also begin to vanish

Earth's almost gone along with the birds

Black & blue screen appears again
