Fade in on frog.

Fly enters frame.

Fly is eaten.

Elephant’s foot enters frame.

Pan up to view elephant from frog’s point of view.

Elephant doesn’t notice frog, munches something adsentmindedly.
Frog makes some kind of noise to get elephant’s attention.

Frog is glaring at elephant, does not appreciate being ignored.

Elephant doesn’t seem to understand.

Frog begins to swell.

Frog explodes. Elephant is surprised.

Elephant is now thoroughly confused.

The End
