Fade In from Black:

Black space with stars twinkling.

Ship comes flying in from left side of screen. Ship is leaving smoke trail.

Ship zooms by camera. (SFX: Screaming as the ship goes by.) Camera follows ship and reveals moon.

Camera cuts to next to the planet. The ship flies behind planet. We hear crash.

Planet rotates around to reveal ship crashed into ground.

Camera cuts to LS of ship in ground.

Camera cut to MS of spaceship. The door opens and something stumbles out. We only see the ship shake, and hear something.
