Light fades in, “Earth” drops from top, then with audio Sun comes down
Sun and Earth move off to the nearest edges.
Man comes up from bottom ad dashes fire.
Hut comes up on prosperous.
Man Splits and "grows" while the other Shanks off out of view.
Atom drop when they learn many things
Leaving earth
arm goes down and
the comes up with
trusty stick
Man leaves Earth comes down and then a ship comes from behind the Earth, light falls down.
